Adani enters industrial 5G space

AHMEDABAD: Adani Data Networks Ltd (ADNL) has acquired the right to use 400MHz of spectrum in the 26GHz millimetre wave band.

ADNL secured this spectrum for 20 years in the first ever 5G spectrum auction conducted by the Government of India's Telecommunications Department, a statement from the company said.

The newly-acquired 5G spectrum is expected to help create a unified digital platform that will accelerate the pace and scale of the Adani Group's digitisation of its core infrastructure, primary
